

Did you know...

#1

killer of teens
in the U.S.

4 out of 10 people
use social media
while driving

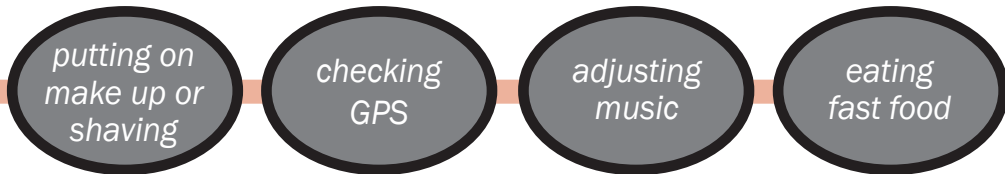

3 of 4 car crashes
are caused by cell
phone usage

average # of
seconds it takes
to read a text **5**

3 # of seconds
it takes to crash
when distracted

DISTRACTED DRIVING

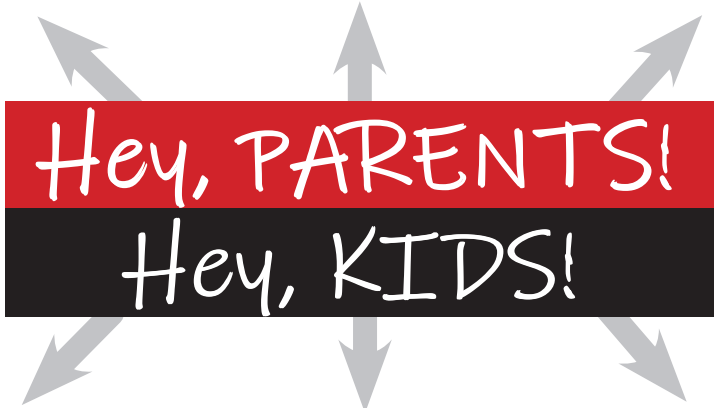

...and it's not just cell phones!

**BE A GOOD
ROLE MODEL!**
Always stay
100% focused
on driving.

Talk about the
dangers, and take
a pledge together
to avoid distracted
driving.

Use an app to
monitor your teen's
driving habits.
It could
save a life!

iPhone Users:
before driving tap
Settings >
Do Not Disturb > Activate

Pull over
before eating or
drinking while
driving.

Let your friends
know you won't ride
with them if they
text and drive.
